Provide References to Eligible Ancestor

To establish lineage for each generation above, please provide primary sourced documentation to an Eligible Ancestor including appropriate publications with author's name, title of publication, volume, and page number for each citation, including church, court, cemetery, census, and other records to establish birth, death, and marriage dates and family relationships. Unfortunately, family histories are not acceptable for lineage proof since they cannot be legally documented. (Please refer to web site for additional helpful instructions on completing this application).
